

Let's keep all files for the same Unit in the same Basecamp Thread.

File Naming Convention: U#-Type-V.v.extension

where V.v = major.minor version numbers

extension indicates use, e.g:

U3-Student-0.1.pages for internal revisions (content only)

U3-Student-0.1.doc for teacher revisions (content only)

U3-Student-0.1.indd for design (format)

U3-Student-0.1.pdf for "Pretty" (distribution and classroom use)

type indicates user, e.g:

U3-Student-0.1.pages for a Document with only Student Materials included

U3-Teacher-0.1.pages for a Document with only Teacher Materials included

U3-Combined-0.1.pages for combined Student and Teacher Document
